

## Guidelines for Gathering to Worship Together at MCC

Here is what you should know and expect, as you join us for worship:

1. You will be directed on where to park. Please pay attention as you come into the driveway, and expect to be guided on where you need to go.
2. Once you've parked, please grab your face covering as you exit your car, put it on, and follow the direction you'll be given to our open worship area on the blacktop. You will need to wear a face mask or face covering throughout your time here.
3. Please maintain the requested 6-foot separation from anyone who is not already a household member that you've come with, throughout your time that morning.
4. The playground area will be closed off. If you have children, you will need to plan ahead of time with them about what to expect, and how you will keep them with you.
5. We will provide hand sanitizer in several locations, for your use.
6. You will be able to pick up song lyrics, Children's Pages, and a sermon outline, on your way to the worship area. Or you can print these at home, and bring your own.
7. Pre-packaged communion elements will be available for you to pick up as you walk from your vehicle to the blacktop. If you would like to utilize these to take part in communion, please gather them on your way in, and keep them with you.
8. We will plan to sing. It will be rich to hear one another's voices again.
9. Clusters of chairs will be set out for family groups to sit together, with appropriate distancing from other groups. So we will have chairs available, but if you would like to bring your own lawn chairs, you may do so and set them up at the appropriate distance. People will be there to help guide you.
10. You may want to use the restroom at home, before you come. But there will be restroom access in the main building. You will enter the main building through the foyer door at the top of the stairs. It will be propped open, and a guide will be there to help provide for just one person / family in a restroom at a time.
11. Bathroom doors will be set not to latch, so that they can be pushed open.
12. All bathroom touch surfaces will need to be wiped-down by users after each use, and paper towels can be used to exit the bathrooms. Disinfecting wipes will be provided. Touch surfaces will also be cleaned during the morning.
13. Our outdoor service will begin at 9:00 am sharp. **Please come early** to allow time for all of these logistics, and to be in place so that there is little traffic once we begin. In fact, you can just pretend that it's our normal 8:45 service time, and that will get you set up before we get started!
14. Due to our use of some of the parking lot to congregate, parking will be limited.
15. Please be diligent to maintain distance during the service, and throughout your informal time seeing one another again. Also, please continue to wear your face covering throughout your time at the church. If we all agree to do this, it will be easy to love one another and extend courtesy to our fellow-worshippers.

May the Lord be glorified in our midst, and in His body. We can't wait to see you.

*"... to the praise of the glory of His grace ..."*  
*Eph. 1:6*
