

1. In the (L)ink, you might put this:

“Over the years, we have looked at the problem of racism in the human heart, and how addressing ourselves in this area is part of our following Christ. Surely we need to continue to learn and grow. Right now, the world is asking these questions. The elders have a number of resources to share with you, if you would like to be better equipped. Please click here to see resources on the church and racial justice. May the Lord do His transforming work in us, and help us to be ambassadors to others.”

2. Then, on the webpage (or on whatever page where you put it), I’ve edited what’s above, and it would also include these opening Scriptures. After that, then have the list of the links. Something like this:

Resources on the Church and Racial Justice

“... and He made from one man every nation of mankind ...”
Acts 17:26

“... God has shown me that I should not call any man unholy or unclean.”
Acts 10:28

Over the years, we have looked at the problem of racism in the human heart, and how addressing ourselves in this area is part of our following Christ. Surely we need to continue to learn and grow. Please check out these resources on the church and racial justice, to help you to be better equipped. May the Lord do His transforming work in us, and help us to be ambassadors to others.
